Summer Dance Camp is a wonderful opportunity for dancers to continue their training throughout the summer or for new dancers to try out different styles of dance to see which one(s) fit them best. During Summer Dance Camp, the dancers will be split into 2 groups according to their age. Our camp offers 3 different styles of dance: ballet, hip hop and liturgical (liturgical is derived from lyrical and is Christian based). Activities will include devotion time, dance instruction, dance-related arts and crafts, games and snack time.
